GIVE BACK UNIVERSITY

GBU Life's (GBU) Give Back University is a new part of GBU's commitment to our youth and their education. The best way to help the communities we care about is to foster a sense of community in our youth. We hope that the members of GBU's Give Back University grow up to be advocates and strong leaders both for GBU and for the communities they live in.

GBU's Give Back University members earn points for participation in the program and receive special recognition each year. Insured GBU members can redeem their points for education or community development grant money upon high school graduation.
