

WHAT'S NEW ON CAMPUS THIS YEAR?

ALLEGHENY COLLEGE is redefining the value of a premier education for Pennsylvania and Ohio families, combining high-impact academics, career outcomes, and competitive tuition through The Allegheny Tuition Promise — a guarantee that no PA or OH student will pay more than the listed price of tuition and required fees of Penn State University Park. Allegheny also launched the Impact Scholarship, a full-tuition scholarship program for new students enrolling in fall 2027. allegheny.edu/90-miles-north/

BISHOP CANEVIN HIGH SCHOOL is innovating while respecting its roots. This year, we are returning to our Franciscan Catholic identity while making major renovations across campus. We updated our front entrance and walkway, and are adding a new dance studio and golf simulation lab! Freshman enrollment has more than doubled since last year, and we welcome newly hired faculty as we continue to grow. bishopcanevin.org

For six decades, **COMMUNITY COLLEGE OF ALLEGHENY COUNTY** has expanded educational opportunities, helping to build a stronger future for the region. The college is commemorating its 60th anniversary with two upcoming celebrations, both presented by Dollar Bank. The Sept. 26 CCAC Homecoming Festival is a free community event on Pittsburgh's North Side. The grand finale of the college's milestone year will include a fundraising celebration on Dec. 2 at Acrisure Stadium. ccac.edu

Exciting changes for **DUQUESNE UNIVERSITY** include a beautifully renovated Hogan Dining Center and updated Gumberg Library, both featuring modernized furnishings and expanded gathering and study spaces for students. Duquesne also welcomes its 14th President, David J. Dausey, Ph.D., Ed.D., and new Provost, Sarah Ewing, Ph.D. The Honors College has a new home in Des Places Hall. Plus, construction started on a transformative new Health Sciences facility, expanding Duquesne's growing healthcare corridor. duq.edu

ELIZABETHTOWN COLLEGE set a record with over 4,585 applications for fall 2026 and welcomed 565 new students. The College also introduced majors in Nutrition and Human Performance and Interaction Design, reflecting its commitment to relevant, experiential programs. Additionally, it launched a women's flag football program, with its inaugural season set for spring 2028. etown.edu

This year, **GENEVA COLLEGE** is nearing completion of our Wagner Welcome Center—an \$8 million+ project designed to create a warm, inviting space for all who visit campus. In addition, The Center for Faith & Life at Geneva College will host the inaugural "Christian Perspectives Conference: Technology and Personhood" February 11-13, 2027. geneva.edu/perspectives

At **GROVE CITY COLLEGE**, the Smith Hall of Science & Technology is improving STEM studies with state-of-the-industry labs and workspaces. Four-year merit scholarships that cover up to a third of tuition are yielding their first cohort of students pursuing degrees in more than 70 liberal arts, sciences, and business programs. A new discipleship initiative is guiding students — literally disciples — to learn, love, live, and lead beyond college. gcc.edu

The **UNIVERSITY OF PITTSBURGH** School of Business is expanding at the intersection of AI, analytics and management. New offerings include the Master of Science in Analytics & Applications of AI for Business, a 9-month, full-time, in-person STEM program preparing students to lead AI-driven business initiatives; the Online MS in Management, a flexible 12–16-month program covering accounting, marketing, operations, leadership and applied AI; and, at the undergraduate level, a Culinary Management Certificate with CCAC pairing business coursework with hands-on culinary training for hospitality careers. business.pitt.edu

ROSEDALE TECHNICAL COLLEGE is growing! The grand reopening of the #1 Cochran Technological Excellence Center adds approximately 3,000 square feet for automotive and collision repair, creating space for other expanding programs. Rosedale also offers hands-on training in carpentry, diesel, construction electricity, industrial electricity, HVAC, welding, and truck driving. With continued enrollment growth, new partnerships, and expanded facilities, Rosedale Tech is building an even stronger future for skilled trades. rosedaletech.edu

SAINT VINCENT COLLEGE has opened the new Dunlap Family Athletic and Recreation Center and is preparing for the spring 2027 openings of Rhodora and John Donahue Hall for Nursing and the Latimer Library Tower. These investments, funded by our donors, reflect growing student demand, particularly in nursing and other career-focused programs, while enhancing campus life and student well-being. Together, they represent the College's continued commitment to student success and long-term growth. stvincent.edu

SETON HILL UNIVERSITY has new advanced degrees in health fields to support its existing nationally recognized programs. Seton Hill's College of Health Professions and Natural Sciences now offers a Doctorate in Occupational Therapy, an online MSN in Nursing Leadership and Education, and a combined, online MBA/MSN dual degree. Seton Hill also offers programs in Physician Assistant, Physical Therapy, Exercise Science, and more. setonhill.edu/nhs

WASHINGTON & JEFFERSON COLLEGE offers an education designed for those ready to embrace challenges and seize opportunities, equipping students with the skills to adapt and thrive in a rapidly evolving world. washjeff.edu

WAYNESBURG UNIVERSITY recently unveiled an AI- and VR-powered Immersion Room in its Nursing Clinical Learning Center, the first immersion lab of its kind in the nation, further advancing immersive, competency-based learning opportunities for students in the Nursing Program. The University offers various tracks to careers in nursing, including the Bachelor of Science in Nursing (BSN), the new Hybrid LPN-to-BSN, and the Hybrid Second-Degree BSN, which recently graduated its first-ever cohort. waynesburg.edu/

WESTMINSTER COLLEGE is welcoming students this fall with new opportunities across campus. New academic offerings include a minor in neuroscience, a microcredential in Scottish fiddling and an MBA concentration in Artificial Intelligence for Business Leaders. Coed competitive cheerleading also begins its first season this year. Meanwhile, nearly \$2.6 million in summer improvements are enhancing academic, athletic and residential spaces, including a new press box at the UPMC Sports Complex. westminster.edu

ADAPT & THRIVE

Washington & Jefferson College offers an education designed for those ready to embrace challenges and seize opportunities. Rooted in a tradition of innovation and resilience, Washington & Jefferson College equips students with the skills to adapt and thrive in a rapidly evolving world. Here, you'll find the foundation to turn ambition into action and success.
